Standard Notes: - Represents zero. (D) Withheld to avoid disclosing figures for individual companies. (NA) Not available. (X) Not applicable.

n.e.c. Not elsewhere classified

¹In computing these ratios subcontract employment serving the establishment is excluded. The cost of subcontract work in 1963 amounted to 26 percent of payroll for the Drilling Oil and Gas Veils Industry, to 11 percent for the Oil and Gas Exploration Services Industry, and to 6 percent for the Oil and Gas Field Services, N.E.C. Industry.
